

Year 12 English Language

Frameworks

By the end of the revision period you should have completed all 9 tasks.

All the materials needed to complete these tasks are either attached to the email this was sent on, or can be acquired from your teacher.

Complete the Language and Tech question (q4) on the Jun 11 paper.	Go through the extensive Lang and Tech notes and try and condense them to one page.	Create a board or card game to help with your revision of the language and tech.
Complete a target sheet on the key aspects of Language and Tech.	Write a student friendly version of the mark scheme.	Create a physical or 3D representation of an aspect of the language frameworks. Write a paragraph on why you have done what you have done.
Create a set of 5 videos you have found on Youtube or Vimeo to help you revise the frameworks.	Create a song or a rap about Language and Technology.	Complete the Language and Tech question (q4) on the Jun 12 paper.
